

That ye may walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God; Colossians 1:10

Dear Parents,

Summer is just around the corner! If you are looking for a fun, safe, and God centered place for your child, then look no further. Much prayer and planning has gone into our Summer Camp Program. We are confident that your children will enjoy the activities that our program has to offer. The theme for this summer is "**Let the SONshine In**" and runs from June 7 to August 13. The children will have a different theme each week with activities, crafts and field trips that go along with the theme. Highlights of the summer will be the many exciting field trips and activities planned. A movie every Monday and swimming every Tuesday are fun for all!! Parents are always invited to come along with us!

The cost of camp is \$30 per day for campers and \$25 per day for Junior Counselors. Full week prices include a discount: \$130 for campers and \$100 for Jr. Counselors. All crafts, water days, special snacks and most field trips are also included for full week campers, campers who pay the daily rate have a small charge for each activity. Half day rates are also available. Delicious hot lunch and Before/After Care is also available. Attached you will find a copy of our Summer Camp General Policies and Guidelines, Application, Theme Weeks, and Activities. Carefully complete each form and return with registration fees to the School office.

The Junior Counselor program is very popular with the older students (grades 7 - 9) and space is very limited. Junior Counselors have their own class and teacher. They assist with the younger children as appropriate. Junior Counselors have their own special activities and field trips to area waterparks and other fun places such as lazer tag and roller skating.

Our summer staff this year is a mix of those who have worked for many summers with us and some new faces. Many of our summer teachers are current ECS staff members and several are ECS alumni. The quality and professionalism of our staff makes our summer camp a secure, friendly environment where children have fun, learn new skills, and thrive. We look forward to working with you and your student.

In Christ,

Mrs. Julie Edgar
Director of Student Activities
